

# PET ETIQUETTE

**We want to remain “Pet Friendly” but need your cooperation to do so:**

- 2 dog maximum in cabin. \$20 per dog per day will be charged if additional dogs are discovered. This does not imply that extra dogs are permitted.
- 2 dog maximum in lodge. \$20 per dog per day will be charged if additional dogs are discovered. \*\*Winter, only small dogs are permitted in lodge. We reserve the right to decline dogs in the lodge at our sole discretion.
- Camp Watanda Lodge is a licensed commercial kitchen, as such, pets are **NOT ALLOWED** in the Lodge kitchen please use the gate to prevent their access to the kitchen and food prep area. Pets are OK in the Cabin kitchen. Use gates as needed to contain animals.
- Please bring your pet’s own food and water bowl, do not use the camp dishes for this purpose.
- Please bring an extra towel for your pet to wipe off muddy paws and wet fur.
- Pets cannot be left unattended in the Lodge or Cabin unless they are crated, nor can they roam free when you are away from the property. If you must leave the property without your pet, please crate them or find a suitable spot to tether them.
- Pets are not allowed on the furniture, this includes the bed.
- Please clean-up “Puppy Poop” on common paths and play areas.
- Pets must be up-to-date on rabies vaccinations.
- We recommend that you “pretreat” your pet with “Advantage” or similar topical flea and tick repellent 3 days prior to arrival. Fleas and ticks are rampant in this area and can cause fatal illness to humans and pets.

Thank you for this consideration,
